CHINA SALE

Remarkable Values for one Week--Friday, Apr. 9, to Thursday, Apr. 15

Probably three-quarters of the housekeepers in our city have in mind a day in the near future when they are determined to possess a fine, new, perfect and complete Dinner Set. In every home accidents to the China Service have left their marks with important pieces missing here and there, and with chipped edges to the plates and tea cups. We invite all of these housekeepers to come tomorrow, or the first day they can, and see what a magnificent opportunity is presented to

BUY THAT FINE, NEW DINNER SET NOW.

Every piece of China in the store at a special price during this sale.

MOUNT VERNON, THE HOME OF WASHINGTON
By J. E. Jones
A pretty little story of visits to Mount Vernon on the Potomac. "Impressions and sentiments like yours and mine," explain the author to those who have seen our country's greatest shrine. Bound in colonial blue and had with hand illuminated cover design and George Washington's colonial ribbon book mark, profusely illustrated with handsome half-tones and pen drawings, it is a dainty and invaluable reminder that will instantly appeal to every person who has been to Mount Vernon, while to those who have not had that good fortune this clever, happy story of our beloved George and Martha gives a clearer view and understanding of their colonial home, which is to-day the pride of Virginia and the Nation.
As a souvenir or gift book, for young or old, there is nothing to approach the elegance of this little volume, and it will make one feel more like a patriotic American to possess it.
Send \$1 for a copy of the first edition to be delivered to your address.

U. S. PRESS ASSOCIATION
Bond Building, Washington, D. C.
Special Note: Mr. Jones is the Washington correspondent of the News, and if you will state that you are a reader of this paper, an autographed copy of the first edition will be furnished on the regular order.

TWO WOLVES KILLED NEAR LAMAR
Lamar, Mo., March 6.—A wolf drove near here resulted in the killing of two wolves. The fifty hunters in the party saw seven animals. Wolves have killed considerable stock near here this Winter.
