Whereas Abby Jane Nichols who resides at Andover, N. GEORGIOUS GLADIOLI

Some Rare Bargains in Bulbs of These Charming Flowers; Also in High-Grade Sweet Peas

No summer-flowering bulb will compare either in beauty or popularity with the Gladioli, providing very choice bulbs are planted, such as are here offered. No cut-flower is half as beautiful and satisfactory, as the magnificent blooms will open in water and keep fresh and fine for nearly two weeks.

That all may enjoy the wonderful beauty of some of the finest Gladioli in cultivation, for 50 cents I will send, postpaid, during the remainder of the season ONE DOZEN of the famous Groff Hybrids, assorted colors, to which I will add three of the charming bluish pink, "America," three of the superb new yellow, "Klondyke," one of the new French blue, "Baron Hulot," and as an additional premium, one bulb of the exquisite ruffled-edged novelty, "Kundered's Glory," which has been the wonder and admiration of Gladioli enthusiasts throughout the world. These named treasures are alone well worth the price asked for the entire 20 bulbs and make a collection which would adorn any garden on the globe.

ONE DOLLAR OFFER: For \$1.00 I will send, postpaid, two and a half dozen (30) of the same Groff Hybrids and the same premiums as in the above collection and, in addition to all the others I will send three bulbs of the splendid pure white Gladioli, "Augusta." Just think of it. Over 40 rare floral treasures for only 100 cents.
