## METHODIST EPISCOPAL CHURCH

R. A. Pease, Chairman Pulpit Committee

R. A. Pease, Chairman Pulpit Committee.

Prof. Walter Green of Alfred University will be the preacher of the day next Sunday, both morning and evening. He will also speak at Elm Valley in the afternoon. We count ourselves fortunate in securing his services for the day. Be present and hear him.

Evening federated service in this church this week, due to Mr. Williams' absence from town. Prof. Green will speak. The annual election of trustees will occur Tuesday evening, June 10th. Also election of lay electoral delegate to convention at Rochester in the fall.

The pastor leaves this week for his new field of labor in Buffalo. He would leave with another word of gratitude to all who have helped make the past two years and a half so much worth while, and to the many who have been so generous in their expressions of good wishes for the future. All this has made him very regretful at leaving, but he feels that it is a definite call of God and he must go.

There must be something in a store that has real interest to you, or there can be nothing in a store's ads to appeal to you of course. So that by this rule, advertisers know where to go.

The habit of reading the ads fixes the habit of buying to best advantage—always; and as there fore, a business habit.

Five—ten—twenty years from today the files of LESLIE's will be priceless. For LESLIE's is the one great national illustrated weekly newspaper of today.

Special war correspondents and photographers by the score "cover the war" for LESLIE's—in Germany, in Austria, in France, in Russia, in Britain, in Belgium, in Turkey, in Egypt, in the Far East, on the high seas.

The LESLIE's news and pictorial service "covers" not only the war, but the world, for the benefit of its 350,000 subscribers. At home or abroad—wherever news is happening—there the unparalleled service of this great weekly newspaper is recording it and picturing it for the people of the United States.

For sixty years LESLIE's has brought to the American people week by week the most important news of our own and every other country, not in words alone, but also in pictures—that universal language which tells more at a glance than pages of words could describe.

No wide-awake American can afford not to have LESLIE's in his home every week. Every member of the family will profit by it. It is not too "old" for the youngest child, while every page teems with interest for every man and woman in the family.

Get the current issue at any newsstand—10 cents.

Better subscribe by the year (\$5) and be sure of receiving every issue promptly on Thursday.

## Children Cry FOR FLETCHER'S CASTORIA

People usually become interested in a store first through the store's ads. Every good ad makes New Store-friends—and renews the interest of old ones.
