

STOP, LOOK, LISTEN!

LAWYER received \$10,000 for suggesting those words to a railroad. That sign, "Stop, Look, Listen!" saved the road many thousands of dollars in damages. It's a good sign. It's worth \$10,000. Wise people are often warned by a similar sign on the road of extravagance. Stop in time. How about yourself? Think this over seriously. An account is the BEST KIND OF SECURITY at any time.
