Five—ten—twenty years from today the files of Leslie's will be priceless. For Leslie's is the one great national illustrated weekly newspaper of today.

Special war correspondents and photographers by the score "cover the war" for LESLIE'S—in Germany, in Austria, in France, in Russia, in Britain, in Belgium, in Turkey, in Egypt, in the Far East, on the high seas.

The Leslie's news and pictorial service "covers" not only the war, but the world, for the benefit of its 350,000 subscribers. At home or abroad—wherever news is happening—there the unparalleled service of this great weekly newspaper is recording it and picturing it for the people of the United States.

For sixty years LESLIE'S has brought to the American people week by week the most important news of our own and every other country, not in words alone, but also in pictures—that universal language which tells more at a glance than pages of words could describe.

No wide-awake American can afford not to have Leslie's in his home every week. Every member of the family will profit by it. It is not too "old" for the youngest child, while every page teems with interest for every man and woman in the family.
