—The Crawford (N. J.) Chronicle has the following concerning a close call a former Andover man escaped recently at a high water time.

Mr. Mosher felt it begin to give and he rushed for the shore just in time to escape a ducking in the river. The engineer who built this temporary structure did not figure on such a flood as came down the river, but fortunately for all parties concerned, no lives were lost.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. DEATH OF GUY LYMAN REGAN

Guy L. Regan, who recently died in Albuquerque, N. Mexico, was the only son of J. K. and Gertrude Boyington Regan, of Hornell, N. Y. Guy had been ill for several years, and had made his home for the past three and a half years with his aunt, Miss Dora Boyington, of Findlay, Ohio, who a year and a half ago accompanied the young man to N. Mexico, trusting that the high altitude and dry climate of that country would restore his health. And for several months the boy made wonderful improvement and he nor his friends did not realize that he had lately gone into a rapid decline, until the final summons came.

Guy was of a retiring nature, that held no malice or revenge toward those who had injured him. He was a loyal friend and a wise counsellor for one so young. I do not believe that Guy Regan ever knowingly wronged any one. He died at peace with "the Master" and wherever there is love, truth and honesty, he will find a home.

The funeral was held at the M. E. Church in Roulette, the body interred in the Boyington family lot in the Lyman cemetery according to the young man's request.—Potter County Journal.

WHAT JONES SAYS ABOUT THIS PRESCRIPTION.

Fredonia, N. Y.—"I can speak highly of Dr. Pierce's Favorite Prescription. It was used for over two years in my family. The medicine was thoroughly tested and found very satisfactory. Nothing else did as much good. It is a most valuable medicine for the purpose advertised."—LUCIUS JONES, Jr., 53 Eagle Street, Fredonia, New York.

Thousands upon thousands of mothers, wives and daughters in every section of this great country, who have regained health, vigor and cheerful disposition after months of misery and even despair, are the ones who truly appreciate the marvelous restorative power of Dr. Pierce's Favorite Prescription.

Every woman who has reason to believe that backache, headache, unnatural pains, low spirits, sleepless nights, irregularities or a catarrhal condition is caused by a derangement of the womanly functions, owes it to herself and dear ones to speedily overcome the trouble before a general breakdown causes permanent prostration.

Dr. Pierce's Favorite Prescription is a remedy that because it is prepared from roots and is not a secret remedy for its ingredients are printed on wrapper.

Get it to-day, either in liquid or tablet form, or write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for a free book on women's diseases.

Good Printing is a Persistent Influence Exerted in Your Behalf

Every hit of Printing that goes out to serve you makes some kind of an impression. Poor will leave a poor impression of its user as surely would poor clothes, a poor store or office. You can get the GOOD KIND at this office—in large or small quantities.

Yes; Some Good Printing Costs Too Much, too

It's the same as with other good things. The temptation to charge "stiff prices" for high-class things or high-class service is always natural, but it's not always justifiable. As to printing, you pay more for it at some places than others. We are one of the "others."
