## Cold Fall Days Now and Bitter Winter Coming Means Winter Underwear

Winter Underwear without end—the largest stock this store has ever had—a supply adequate for thousands of women—a line that “fills the bill” of every purse and every need since it embraces so many and varied qualities and styles.

The Richelieu Line, carried exclusively by us, is especially the favorite Underwear of precise women, because of its daintiness of design, faultlessness of fit and tastiness of trim. Richelieu Union Suits give that degree of comfort found in no others, since they have no side seams to rub and irritate the tender flesh beneath snug corsets.

Here are mentioned a few of the most favored lines.

### All-Wool Union Suits

A Richelieu garment made from the finest all wool yarns procurable. A Union Suit that you would expect to find marked at a much higher figure than \$2.50.

### Union Suits of Silk and Wool

### Woolen Union Suits \$1.75
