IF THE PEOPLE of this community actually knew how good, how comfortable, how economical and how adaptable these Stoves are, we should be unable to supply the demand for them.

They are substantially made and fitted with a gas ring at the bottom of the fire pot, so gas, any kind of coal, coke or wood may be used for fuel. No matter what happens, you can always keep the fire going. Reasonable in price—

From \$13.00 to \$17.50

and handsome in appearance. They should appeal to everyone in need of a stove. Come in and let us show you.

### STATIONERY

We have as fine a Writing Paper as one wants to use in our Tulip Linen which comes in boxes of 25 sheets with 25 envelopes for 25c or by the pound—about 35 sheets for 25c. The envelopes for the pound paper come 10c a package of 25, or three packs for a quarter.

The very finest pound paper we can buy is Symphony Lawn, a fabric finished sheet which sells at 50c a pound. The envelopes for this cost you 15c a package. Symphony Lawn also comes in boxes with the envelopes, priced from 50c to 75c a box of 25 sheets and 25 envelopes. We have some very neat styles in this paper which we would like to show you when you are in town, and we would deem it a favor if you could call and look them over, even though you make no purchase.

Of course we have both the above papers in tablet form in many sizes.
