

JOHN C. DARCY  
Candidate for Re-election for  
Supervisor, Town of Wellsville

Supervisor John C. Darcy of Wellsville is making an energetic campaign for re-election to the office of supervisor of the Town of Wellsville, on the Progressive party ticket.

Mr. Darcy, with his frank and open manner, and acknowledged power of leadership among men, has always used his unquestioned ability for the best interests of the town of Wellsville, which he represents. He has been a power and of great weight on the side of true economy and good morals on the Board of Supervisors of Allegany County.

Crooked politicians are the only ones, either on the Board of Supervisors or in the town of Wellsville, who are opposing his return to the Board, and they are raving because of their fear that he will be again returned.

Mr. Darcy has justly earned the title of "Honest John," by his every act, whether in business, politics or in any other of the activities of life.

John C. Darcy is the head of the Wellsville Casket Company, one of Wellsville's leading manufacturing industries. In business he is acknowledged by everyone to be a success, and a credit to the village from which he hails. There is not one person yet to be found who would impugn his motive or question his ability or integrity.

The best men of Wellsville, and most of the business men of that village express themselves as being more than pleased with the straight forward business administration Mr. Darcy has inaugurated in that town since he was chosen two years ago. They are openly championing his return to that office regardless of party affiliation. They say he has saved their town hundreds of dollars by his supervision of town affairs, that he has been fair and just with all men, and they desire a continuance in office of just such a man.

Wellsville people appreciate a good, honest official when they have one, and they will undoubtedly return to the Board of Supervisors John C. Darcy.
