Yes, we are feeling right smart to-day, thank you. The boys are coming right in with these subscription dollars they are owing us, and we have strong hopes of tasting real turkey—roast pig anyway—for Christmas. There are a few more to hear from, though, but we feel confident they will show up with the needful before the eventful day arrives. We have a generous hearted bunch of fellows on our list after all.

Now that the State Supreme Court of New York has decided that a negro must be permitted to sit in a reserved seat that his money has purchased, why doesn't the Court travel right along toward justice and decide that a woman tax payer shall have the right to sit in the seat reserved for those who have a voice in the government which her tax money helps finance?

CORNS GET ON YOUR NERVES

The corn on your toe would not pain or cause trouble if it did not connect with the nerves. Tortured nerves often cause a general breakdown of the entire system and allow disease to creep in where least expected. Nobody can sleep well or take the rest-cure with a painful, aching corn. Get rid of it by using Raccoon Plasters. Nature will then soothe and quiet the troubled nerves.

SHARP ATTACK REPELS

Dangerous Condition Relieved Time By "Fruit-a-lives"

MR. F. J. CAVEN
692 Gerrard St. East, Toronto.
For two years, I was a victim of *Acute Indigestion and Gas in the Stomach.* It afterwards attacked my heart, and I had pains all over my body, so I could hardly move. I tried all kinds of medicines but none of them did me any good. At last, acting on the advice of a friend, I decided to try "Fruit-a-lives". I took the first box last June, and now I am well, after using only three boxes. I recommend "Fruit-a-lives" to anyone suffering from indigestion, no matter how acute. FRED J. CAVEN
Simple Indigestion often leads to *Heart Attacks, Catarrh of the Stomach and constant distress of mind and body.* If you are bothered with any of these troubles, and especially if Constipation troubles you, take "Fruit-a-lives". 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent by Fruit-a-lives Limited, Ogdensburg, New York.

As "one wedge drives another" so continued publications of real estate for sale ad will eventually bring a buyer—although usually, a very few publications are sufficient.

DON'T SCOLD FRETFUL CHILDREN
That nervousness, fretting and restlessness is no doubt caused by worms or constipation. Instead of scolding, give your child a treatment of KICKAPOO WORM KILLER. Nice candy tablets that kill the worms and are laxative enough to move the bowels. Expect not only the worms but scalded poisons. These poisons and irritate, reduce their vitality and make them victims of sickness. Get a box of KICKAPOO WORM KILLER today from your Druggist, only 25c.—Advertisement

"SISTER SUSIE'S SEWING SHIRTS FOR SOLDIERS"
Sister Susie's sewing shirts for soldiers.
Such skill at sewing shirts our shy young sister Susie shows! Some soldiers send epistles, say they'd sooner sleep in thistles, Than the saucy, soft, short shirts for soldiers sister Susie sews.

A STRANGE CASE.
Corning, New York.—"Thirteen years ago I became so hoisted I could not make out what was the matter with me. I could not stand on my feet or perform my ordinary duties. After two or three months my mother urged me to use Doctor Pierce's Favorite Prescription, which I did. Both my mother and I decided it was a tumor. I continued taking the 'Prescription' three bottles in all when the growth, as large as a good sized pear, came away without any serious ill effects. This growth was preserved and examined by many doctors and pronounced a tumor. They were all amazed at the cure performed by Doctor Pierce's wonderful remedy, which they had to give full credit because I took no other medicine or treatment at all for this illness. I cannot say to much in praise of 'Favorite Prescription' which I continually recommend for use in any female trouble. Since then I have had one child, a boy, now eleven years of age, and he is a well, strong, healthy child, as are all my six children."—Mrs. ELDORA LOCKWOOD, 197 Decatur Street, Corning, N. Y.
The mighty restorative power of Doctor Pierce's Favorite Prescription speedily causes all womanly troubles to disappear—compels the organs to properly perform their natural functions, corrects displacements, overcomes irregularities, removes pain and misery at certain times and brings back health and strength to nervous, irritable and exhausted women.
What Doctor Pierce's Favorite Prescription has done for thousands it will do for you. Get it this very day from any medicine dealer, in either liquid or tablet form.
