vada has ruled that women in that equal suffrage state are eligible

Be a booster! The town booster is knownby everybody for he is siways domatered as gegong-class man master the is the man who makes the town. The killer is the one who

> Be a booster! The booster never loses anything by his boosting. He boosts ing on the farms about everything you care to eat. other people and other people boost him, and through this combi-'anation of hoosting great things are acomptished. It is only the

killer who falls of his own weight of his own words. Andover's new organization has changed its name to the don't flatter you to your face and call you a freak when of birds, is loyal to his home. Are A wise man offtimes change and looks better on printed stationery, but the old name "Busy to have as friends. Go out and spend your vacation on one of to The fool has-no mind Booster Bunch; is the most appropriate and will remain with the these farms. Feed the chickens and calves, and learn to milk the hossovers.

The booster is like a ray of sunshine on a cloudy day. Of course your Willie has high brightens everything and everybody around him. His geniality, Meals. But has he a single practilis cheerfulness, his energy and his good deeds breed hope in the bosom of despair. His words and his acts aid others and enoble

numself. But the killer only kills-just kills, kills, kills.

for the future.

Be a booster!

Be a booster! This town has many boosters, and you all know that over Smile and the world giggles seventy-five of them have united in an organization known as the with you. Scowl and you are Community Co-operative Club, so they can make their work more leffectual. Team work wins much more than single-handed work) can: You all admire and respect these men, and your respect is more precious to the genuine booster than is your gold. It is only Cheer up! At worst this life! the killer who stands alone, without friends, and without hope;

But if there are any we hope they will cease killing and go to the band. You see, it's one thing to be an editor and another to other Republican candidate Even if you can't keep your boosting. There is no honor or profit in killing, but there is, much to be gained by boosting.

Be a booster! We need the booster. We need more boosters. But we can blamed craft is in danger of being swamped. Oh. you man! meet that this is a good town. exist handsomely without the killer, for the killer's principal di-In time you may think so yourself version in life is to take a knock at the town, at its people, at then ways and at everything and everybody connected therewith - exof cept the killer himself.

> If there are any killers in this old town of Andover, let's convert them, so we can all be boosters. The booster is of value to every legitimate thing with which he comes in contact, while 18 killer is not even of value himself.

Heaven löves a booster and the other places is full of killers. Everybody boost!

THE VALUE OF PREPAREDNESS

Preparednes is in the air and everybody is talking about it-

But there is another brand of preparedness that is of vital rain and frost and time shows beasts would object to the com- import to the American people, and that is preparedness for pros- what sort the works of men's church at Wellsville. has

There is probably no class of people in this country who trail, but without the safety valy should be more alive to the possibilities of commercial prepared a crumbling wall; here a flimsy (the of common sense it becomes a ness than the farmer. Upon him will develop the vast amount of pations to some know what want the gensupplies demanded by the world when this war ends. His will be of builders passed that way-There are two things a wise the burden of feeding the millions of mouths that will be hunger. The great goal? Beloved man never does but once-twist ing for the products of the farm. And his will be the pockets that ue delusion h the cat's tail and tread on his will sag with the weight of the gold that pays for these supplies. We're on the quest of Life and If there is an acre of tillable ground in this section that has not been contracted, it should be promptly put under cultivation. tive-cent dollar, meaning
