Styles That Have Permanency

A happy combination of the styles of this store are not selected for their striking unusualness, but are considered from the viewpoint of the wearer, who requires fashionable garments of superior elegance in design and laboring individuality without "freakishness" is a marked characteristic.

**THE LATEST SUITS**—include belted models, youthful and becoming, fitted tailored flared suits for the tall slender women, Man darin effects, braid bound suits and simple tailored effects.

**COATS**—Of wearable blue serges, wool pop lins, checks, taffeta and serge combinations, velours and mixtures for street and motorina, and a great many models of decided sport styles.

## WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body.

In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, dizziness, dreamy sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you should take. Its rich nutrition gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol.

### KISSES COLORED GIRL ON BET; FINED \$4.50

#### Court Sees Humor of Situation and Lets Man Off Easy

Pittsburg, April 17.—Raymond Watkins, of Homeville, bet a friend a dollar he would kiss the first girl that passed him. He did. She was black, and indignant as well. Watkins, after collecting the bet, was arrested and paid a fine of \$4.50, thereby losing \$3.50.

Watkins and his friend were standing on a corner when the bet was made. Estella Stanton 18, a negress, turned the corner, gazing sideways into the street, when Watkins gently seized her and planted the kiss on her cheek.

She called a cop; Squire Hahn heard the facts, saw the humor and let Watkins off with the payment of costs, amounting to \$4.50.

### THE THRICE-A-WEEK EDITION OF THE NEW YORK WORLD

Practically a Daily at the Price of a Weekly. No Other Newspaper in the World Gives so Much at so Low a Price.

There has never been a time when a newspaper was more needed in the household. The great war in Europe has now entered its second year, with no promise of an end for a long time. These are world-shaking events in which the United States, willing or unwilling, has been compelled to take a part. No intelligent person can ignore such issues.

The presidential contest also will soon be at hand. Already candidates for the nomination are in the field, and the campaign, owing to the extraordinary character of the times, will be of supreme interest. No other newspaper will inform you with the promptness and cheapness of the Thrice-a-Week edition of the New York World.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and The ANDOVER NEWS together for one year for \$1.75.

The regular subscription price of the two papers is \$2.00.
