### GREENWOOD LOCAL BRIEFS

Mercury stands above 90. Vegetation is catching up. Highways are taking shape again. Haying has commenced with a fair crop in prospect. Miss Ellen Young was in Hornell Monday. A. K. Hall is moving from his farm into town. Harland Pease and Mrs. Fred Cook, of Hornell, visited their aunt, Mrs. Benj. Lewis, last week. Mrs. Arthur Whiting, of Jasper, and Mrs. G. L. Whiting, of Canisteo, were in Greenwood Tuesday. Misses Dorothy Slocum and Beatrice Wilcox were in Hornell Tuesday. Miss Blooma Cheesman was in Hornell Monday. Infantile paralysis in New York is increasing to an alarming extent.

Many along the line are helping with the work. Railway Mail Clerk Reddell, of Canisteo, was in town Wednesday on official business. Rev. I. R. Peacock was in Hornell Tuesday. The fight at Verden led by the Crown Prince is still on. The Crown Prince dislikes to admit defeat, but he is earning a victory, in case he gets one. Miss Scott is home for a vacation. The greatest German triumph during the war is the successful navigation of the submarine merchantman Deutchland across or under the Atlantic to Baltimore. You HAVE to be interested in "how to make money"—if you expect to make much. So you have to be interested in how to spend WISELY if you would save a part of that which you make. Thus one MUST read the ads.

### DOUBLY PROVEN Andover Readers Can No Longer Doubt the Evidence

This grateful citizen testified long ago. Told of quick relief — of undoubted benefit. The facts are now confirmed. Such testimony is complete—the evidence conclusive. It forms convincing proof of merit.

Mrs. A. D. Lewis, 151 Earley St., Wellsville, N. Y., says: "My back was so lame and sore that I could not get about to do my work. If I sat or stooped it was some minutes before I could straighten. I also had trouble from the kidney secretions and was often dizzy. After I had taken three boxes of Doan's Kidney Pills, I was free from kidney complaint."

LATER TESTIMONY TWO YEARS LATER, Mrs. Lewis said: "Doan's Kidney Pills are a very good medicine and I am pleased to confirm my former endorsement."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lewis has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

### MISS EDNA GOODRICH in "Armstrong's Wife" at the Auditorium, Wednesday Evening.

The Lasky Feature Play Company in bringing Miss Edna Goodrich, most beautiful of American dramatic stars, before photoplay audiences of the world, takes special pride in this announcement. Miss Goodrich will make her photoplay debut in the strong dramatic feature, "Armstrong's Wife," by Margaret Turnbull. The star only recently returned to the United States after a year of nerve-racking experiences as a nurse in war hospitals in Europe. Her own beautiful home near London is now being used for convalescent wounded.

"Armstrong's Wife" provides Miss Goodrich with those opportunities for her dramatic talent which has given her fame here and abroad. She appears as a young woman, for whose affections two men are seeking. Discouraged after a few months with one of them who she discovered was married, May, as portrayed by Miss Goodrich, consents to lose herself in the Canadian wilds with her other suitor. This man offers his name only to her. Subsequently, at a meeting of the three principals in this strange case, wrong is righted.

## Snatched From an Art Entertainment

DRAWING BY ZWICKEY.

THIS illustration is one of the many made by Lorenzo Zwickey in his Art Entertainment, which is to be the closing feature of the five days' Chautauqua. He draws pictures on a large canvas in full view of his audience and talks as he works. Not all of his entertainment is serious, as might be judged from the sample shown. It is a lecture-entertainment with true artistic spirit, made educational and uplifting. The beauty of his compositions and the good sense and refinement of his lecture will appeal strongly to Chautauqua patrons. He tells the women how to choose colors in their dress and how to arrange tastefully the furnishings of a home. Mighty good thing to know what an artist has to say along this line.

He Draws in Colors Many of his pictures, with which he illustrates his talk, are made in gorgeous colors. These are shown to wonderful advantage with the aid of an electric lighting device, which brings out the colors just as they should be.

Remember Mr. Zwickey is the closing number of a whole five day Chautauqua program. Nine wonderful programs precede his. A season ticket admits to everything and makes the cost less than 20 cents an attraction. Plan to attend all the numbers and get tickets TODAY.

In the assortment you will find suits to fit men of every size and build. When it comes to fabrics you will find only the best—the most wanted materials that are all wool. The styles are the most desirable, the tailoring faultless.
