Warden Thos. Mott Osborne who has been reinstated at Sing-Sing prison, was given a great

reception when he returned to his duties. The prisoners, whom he had tried so successfully to reform, formed a procession and escorted him and Warden Geo. W. Kirchway to a stand where he and Warden Kirchway addressed them.
Mr. Kirchway indorsed Warden Osborne's methods of reform and his efforts to make good citizens of the inmates rather than hardened criminals. In doing this the warden has had to fight the ring, who were fattening on the old prison system and probably some of whom are no better than some of the wards of the warden.
Warden Osborne is demonstrating that the prisoners can be made schools of reform with greater benefit to society than as schools for the development of crime.

OH! MY BACK!
The Expression of Many a Kidney Sufferer.

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back that almost takes the breath away. Doan's Kidney Pills relieve aching backs. Here's convincing proof of merit.

Stewart Atherton, carpenter, 41 Railroad St., Canisteo, N. Y., says: "I had lameness and pain in the small of my back and it hurts me to stoop or lift. My kidneys acted too frequently and the kidney secretions were unnatural. Doan's Kidney Pills brought me relief and I haven't needed a kidney medicine since." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Atherton had. Foster-Milburn Co., Props., Buffalo, N. Y.

In Montreal, Canada, they played before an audience of 10,000 a year ago. Wouldn't you like to hear them play? A season ticket will make the cost only a few cents. It will be the grand climax of the five days' program.

To-morrow or any of the days to follow we count our profits in friends instead of in dollars during this great half yearly

CLEARANCE SALE

When clearance time comes we never stop to think much about what our merchandise costs us, but mark it to a figure that we know will move it out—for it's a strict rule with us not to carry anything over to another season. But what we lose in dollars and cents is fully offset by the many new customer friends we make and the good will and good words of those who take advantage of these extraordinary money-saving opportunities.

In the assortment you will find suits to fit men of every size and build. When it comes to fabrics you will find only the best—the most wanted materials that are all wool. The styles are the most desirable, the tailoring faultless.
