Remember a season ticket cuts the cost in half, and a season ticket bought now costs 25 cents less than it will cost a little later.

The Junior Chautauqua promises a world of delights for the boys and girls. It will be in the forencons, and they will play games, have story telling hours, athletic events and a host of things that will keep then busy and happy every minute.

A Whole Family and Community Affair

HE Chautauqua is essentially an affair for the whole family and the entire community. The committee's hope is to make it an event of special interest to father, mother and the "kiddies." - There are numbers on the program that will have a special appeal to the business man, the farmer, the lawyer, preacher, doctor, manufacturer, the clerk, the laboring man and the bank president. The mother will find many features especially helpful, and the boys and girls will get a little different look at life through these great inspirational numbers. And there will be entertainment for every one.
