

# BURROWS' OPPORTUNITY SALE

Begins Friday, August 18

Ends Saturday, August 26

BIG REDUCTIONS IN ALL DEPARTMENTS

At the time of our February Sale we prophesied that merchandise of all kinds would be selling much higher within a year and the course of prices since that time has demonstrated the truth of our statement. A lot of people took advantage of the opportunity we then offered and saved many dollars through their purchases. We now make another prophesy, that this Fall and Winter will see further big advances, with merchandise in many lines extremely hard to get at any price. We offer another opportunity for the thrifty buyer to provide for Fall and Winter requirements at prices, in most cases, lower than we will have to pay to replace the stock we sell.

The Opportunity is Here Again. Take Advantage of it and Save Money
