Miss Dorothy Slocum is working in the post office during the vacation of Pearl Conkey. The remains of Henry O'Hargan who was killed in an automobile accident, at El Paso, Texas, last week, were brought to his late home in this place Monday. The funeral services were held at St. Mary's Church, in Rexville, Wednesday morning. Mr. O'Hargan was born in Ireland eighty-six years ago and came to this country when young, and has been a resident of this town and vicinity since.

Mr. O'Hargan was visiting his two daughters, who live in El Paso, at the time he received the injuries which caused his death. He and his daughter, Mrs. McMindes, Mr. McMindes and five grandchildren of Mr. O'Hargan went on an auto ride and during the trip the auto upset throwing Mr. O'Hargan through the windshield injuring him so badly that he lived but twelve hours after. Mr. O'Hargan leaves to mourn his loss two daughters in El Paso, and one son, John O'Hargan, of Troupsburg, and many other relatives in this locality.

Mr. O'Hargan made many staunch friends among all who had the pleasure of his acquaintance. Cornelius Dempsey, of Rexville, was a Tuesday visitor in town. Harland Poase, of Hornell, was greeting former Greenwood neighbors Wednesday.

The New York & Pa. Railway will run the first excursion train Sunday, Aug. 20th, starting from Canisteo and going to Ceres and return, giving an opportunity to visit Rock City, one of the great natural wonders, and Riverhurst Park, on the Allegany. All who have visited these places have well repaid for the trip.

The W. L. Platt moving picture show held forth in this place Tuesday evening to a fair and satisfied audience. This morning, like the Arabs, they quietly folded their tents and moved away. Luke Maxwell, of Waco, Texas, formerly of Rexville, was a Greenwood visitor Wednesday. Miss Mildred Scott, of Rochester, is at her home in this place during vacation.

Mr. and Mrs. Leo Birmingham were among town visitors Wednesday.

Mr. and Mrs. Ralph Hale, of Jasper, were in our city Wednesday.

John E. Schench, of Jasper, was in our city Monday. The threatened great railway strike will probably be averted through the efforts of President Wilson.

The Austro-Hungarian army seems to be in danger of capture in Galicia. The Teutonic armies are unable so far to check the momentum of the Russians. The dreadnaught Leonardo de Vinci blew up in Taranto harbor, Italy. The explosion was caused by fire on board the vessel. Three hundred lives were lost in the accident.

It is claimed that King has renounced his confession of having killed the two people for which Steeple came very near being executed. The case shows the necessity of abolishing the death penalty. The case should receive a thorough investigation as it looks as though his confession is stronger than his denial in order to save himself.

George Case, of Jasper, was a visitor in town Wednesday. Infantile paralysis seems to be extending in the state outside the cities. Seventy-five new cases were reported Tuesday.

Mr. and Mrs. Will McCaragher, of Jasper, were in Greenwood Saturday.

BACKACHE IS DISCOURAGING But Not so Bad if You Know How To Reach the Cause

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys and calls for prompt treatment. The best recommended remedy is Doan's Kidney Pills. Profit by this nearby resident's experience: Edward W. Mann, 39 Fulton St., Hornell, N. Y., says: "I had been troubled for several months by pain through the small of my back, which often changed to a dull ache and caused me no end of suffering. It was advised to try Doan's Kidney Pills and I did. They removed the pain in short order."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Mann had. Foster-Milburn Co., Props., Buffalo, N. Y.
