## YOUR FLOORS Are They Dressed Up For The Fall?

The days will soon shorten, seemingly into hours, and the indoor evenings will begin. A new rug for the living room or den will add much to the pleasure of being inside when cool evenings come.

Our complete Fall Line of Carpets and Rugs, which includes Whittall Rugs (the best made rugs in America) and other lines noted for exceptional beauty and service, is now being shown.

We invite you to an inspection of the New Floor Covering, whether or not you have any intention of buying.

### A New Chintz Rug

Will add to the cheerfulness of the Bed Room

We have just received a large quantity of Chintz Rugs in both plain and mottled colorings with plain stripe ends or floral borders. There are Tans, Greens, Pinks, Blues, Yellows, in fact, a color to harmonize with any bedroom color scheme you have.

Following are sizes and prices:

24x36 Chintz Rugs	.....79c and 89c
27x54 Chintz Rugs	.....\$1.25 and \$1.45
30x60 Chintz Rugs	.....\$1.59 and \$1.75
36x72 Chintz Rugs	.....\$2.00 and \$2.35

### Our Buying Foresight Will Save You Money On Every Purchase

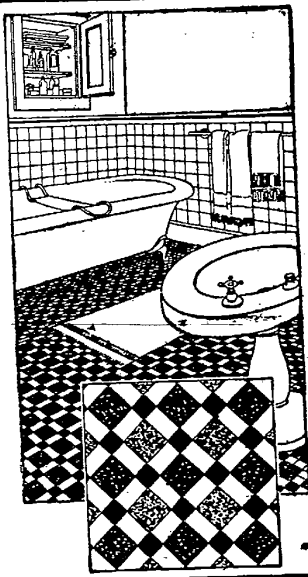

For example, a shipment of 9 x 12 Axminster Rugs came in last week. They were seamless Axminsters and the buyer's eyes opened up when he beheld the patterns that were absolutely different, with colorings that are a vision to any eyes.

If they had been bought last week instead of last spring they would have been marked \$29.00. Our buying foresight, however, enabled us to mark these

### Expert Linoleum- Laying Service

When you buy Linoleum here you also buy the services of a linoleum laying expert, the services of whom we are indeed fortunate in possessing. Next to the quality of Linoleum bought, the care with which it is laid is the most important factor in the wear that you will receive from it. Linoleum that warps up here and there, soon cracks and goes to pieces. Good Linoleum properly laid will last indefinitely.
