HIS WEEK marked the arrival of one of the largest shipments of Fine Woolens that this store has received in years. It promises

to be a big Wool Season. A very large part of " ! the season's gowns will be made of this material. We contracted early\_last Spring with two big mills we represent for shipment at this date. They have just arrived and comprise the best assortment, the best values we have offered in years. You will find no dirth of color variety in this lot especially in clear brilliantly dyed Blues. Serges of all description will of course comprise the bulk of Fall selling, but Gabardines, Poplins, Alma Royals, and other weaves are as popular as ever.

the FORSTMANN, GARFIELD HUFFMANN Mills are acknowledged leaders in this country in manufacture of Fine Woolens. Their products surpass in textile excellence, in brilliance of dye, and in sound wearing qualities. We represent these two famous lines for this section. Note display in our East window: 'Come in and look them over.
