140 YEARS AGO TO DAY

, George Washington and His Troops Abandoned New York, General Howe of the British Forces Taking Possession.

Altho at this time during the revolution the Conti-+ nental army met with severe reverses, the spirit of freedom in the hearts of her leaders burned bright and steadfast.

Do not give up, even when all seems lost. Remember the Father of your Country and the indomitable courage he displayed. Start upon the road to victory without further delay by opening an account at once with this strong and sound Banking institution.
