If You Will Tell the Public But Half of the Really Interesting Things About Your Store

For One Year, Your Sales Will be Doubled!

This assumes a few facts— that you conduct a really good store, in every way WORTHY of public support; and that whoever writes your ads knows how to make them interesting to people, and that you see that these interesting ads really REACH THE PEOPLE through your use of adequate newspaper space ALL OF THE TIME.

If you can measure up to these assumed facts and requirements, then it is quite possible for you, within a year, to double the volume of your sales and the number of your customers.

Isn't it an undertaking that appeals to every potentially, BIG merchant-for instance, to YOU?
