## Sign Boards on the Up-road

By Hamilton B. Williams

It is characteristic of the right sort of folks that they "do" because they like to.

In some houses one feels a something outshining the conventional courtesies of hospitality, something difficult to name, but distinctly felt.

In some poems what is not read in the words is its charm. In a picture one feels the same thrill. In some people's words and deeds one feels the same indefinable "plus."

It is very likely the gladness of courtesy, the "vision of the poet, the "genius" of the painter, the "enthusiasm" of the gentleman and gentlewoman.

These are two words which true-hearted folks do not employ—Duty, Responsibility. Jesus would have been a strange God's Man if He had gone about His task under the spur of duty and responsibility.

A miserable kingdom He would have established on such a foundation. The true word of life is—Liberty.

I can! There are hirling souls who go to a task because they feel they must. They get no joy in service. They find no gladness in the House of the Lord. With lagging feet the perfunctory perform the exercises of religion, and never a gleaming sky is theirs.

There are certain souls that respond only to the pressure of responsibility. They walk a little higher than the hirling souls. but

fail to find the glorious peaks. Their idea of religion is mechanical. They miss, as a consequence, the joy which is packed into service by the Christ, because they do not go deeply enough.

But they who serve because they "can" are they who find the joyousness of fellowship with tests.

They see on every side opportunity. They can: Therefore they open their heart's gates and send forth the battalion of service, in the gladness of being fellow-workers with the joyous God.

Lord-Father, rich in grace,  
 Snow shining face  
 Unto all folk that press  
 In weariness  
 Sweet wine for others' weal.  
 Their pilgrimage  
 Give love as wage  
 And peace all wounds to heal.

Lord-Father, garnisher  
 Of mansions far,  
 Remember homes of earth,  
 And give life's worth  
 In gentle friends. Let cheer  
 Side comforting  
 The stroke and stint,  
 All doubt and dark and drear.

Lord-Father, common task  
 Bless Thou. We ask  
 But Thy "well done." Enough  
 To smoothe the rough  
 Road that the multitude  
 Must trudge along.  
 Lift up thy song  
 That we may bear our road.

### OF COURSE WE WILL

O yes; we'll vote for Wilson. The most wise counselor. Of course, we'll vote for Wilson. He's kept us out of war.

Across the seas to Fatherland. Those white-winged notes he sent. They've kept for us our glorious peace.

O, he's the man for-president!

He's kept the banks from failing, too. To farmers, cash he's lent. He's eased the load on childhood's back!

O, he's the man for president!

He's learned too, and statesman-like. And for the place he's pat. Don't swap horses in mid-stream. 'Twas "Honest Abe" said that.

O, yes; we'll vote for Wilson. The most wise counselor. Of course, we'll vote for Wilson. He's kept us out of war.

### JUST GOT OVER A COLD?

Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak. For weak kidneys—well, read what an Andover woman says:

Mrs. P. J. Doherty, W. Center St., Andover says: "A cold, which settled in my kidneys brought on an attack of kidney complaint. A heavy, dull pain in my kidneys and across my loins made me feel in constant misery and every step I took seemed to jar my whole system. I was tired and dragged out, too, and it seemed as though I would never get around. I had a dull pain in the back of my head. One of the family told me about Doan's Kidney Pills and I procured a supply. Two boxes gave me wonderful relief and did me lots of good."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Doherty had. Foster-Milburn Co., Props., Buffalo, N. Y.

## Why Suffer With Backache, Lumbago or Rheumatism Now?

Letter Tells of Long-Lasting Relief.  
 Dear Readers—If I can do any good in the world for others, I wish to do it, and I feel that it is my duty to write about the wonderful results I received from the use of "Anuric." I was suffering from kidney and bladder troubles, backache, rheumatism, and dropsy, and ankles swelled so that at times I could not walk without assistance. I had taken several different kinds of kidney remedies but all failed. I sent for a box of Dr. Pierce's newest discovery, "Anuric," which I received by mail in tablet form. I soon got better and am convinced that this popular new medicine is good. I wish to recommend it to my neighbors and everybody suffering from such troubles.  
 Mrs. M. J. SARGENT.

NOTE: You've all undoubtedly heard of the famous Dr. Pierce and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicians and specialists at Dr. Pierce's Invalid Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles.

Up to this time, "Anuric" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Doctor Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers. Supply ask for Doctor Pierce's Anuric Tablets. There can be no imitation. Every package of "Anuric" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Favorite Prescription, the celebrated remedy for all gynecological troubles. Dr. Pierce's Golden Medical Discovery, proven by years to be the greatest general tonic and reconstitutor for any one, besides being the best blood-maker known.
