**VOTE for  
EUGENE M. TRAVIS**  
For State Comptroller

He has won the confidence and respect of the business men by his honest independent and efficient management of the state finances.  
The disclosure of the robbery of Stock Transfer Tax stamps by which the state lost \$250,000 annually, is included among his accomplishments.

He devised up-to-date methods which prevent theft of state bonds.  
His amendments to the Inheritance Tax and Secured-Debt Tax laws will increase the annual revenues \$3,500,000.  
He reopened estates closed by his predecessor and obtained additional tax of \$400,000.  
The way to keep the finances out of incompetent hands for two more years is to vote for the re-election of
