STOP THE FIRST COLD

A cold does not get well of itself. The process of wearing out a cold wears you out, and your cough becomes serious if neglected. Hacking coughs drain the energy and sap the vitality. For 47 years the happy combination of soothing antiseptic balsams in Dr. King's New Discovery has healed coughs and relieved congestion. Young and old can testify to the effectiveness of Dr. King's New Discovery for coughs and colds. Buy a bottle to-day at your Druggist, 50c.—Advertisement.

To restore that strength and stamina that is so essential, nothing has ever equaled or compared with Scott's Emulsion, because its strength-sustaining nourishment invigorates the blood and distributes energy throughout the body while its tonic value sharpens the appetite and restores health in a natural, permanent way.

If you are run down, tired, nervous, overworked or lack strength, get Scott's Emulsion to-day. It is free from alcohol. Scott & Bowne, Bloomfield, N. J.

The Sea of Space

The human mind cannot comprehend what is meant by the four little words in the expression "the sea of space." If the volume of "space" included within our solar system—which is perhaps but a single train of planets among hundreds of millions of a similar kind—were occupied by one single globe 5,600,000,000 miles in diameter it would be but a feather in the marvelous spread of "vacancy" surrounding it. In fact, it has been calculated by scientists that in the space occupied by our solar system something like 2,700,000,000,000,000 globes the size of our earth could revolve, each one at a distance of 500,000 miles from the other.—Exchange.

How He Defined Woman

Father and son were walking the streets and passed a large park in which were many statues. One of them—the largest of all—was of a woman.

"Father, what is that?" asked the son, pointing to this particular one, which was inscribed "Woman."

"That is not a statue, my son," answered the father. "It is but a figure of speech."—Life.

Good For Evil

Instead of returning evil with evil, try to return evil with good, to say nothing ill of men, to act kindly even with the ox. Live thus one day, two days or more and compare the state of your mind with its state in former days. Make the attempt and you will see how the dark, evil moods have passed away and how the soul's happiness has increased.—Tolstoy.

Roman Sandals

The sandals worn by the ancient Greeks and Romans consisted in the main of a sole kept in place by thongs that passed over the foot and fastened about the ankle. The sandal was not a shoe in the modern sense of the word. The real shoe is much later than the Greek and Roman time.

CLEAR BAD SKIN FROM WITHIN

Pimples, muddy complexions are due to impurities in the blood. Clear up the skin by taking Dr. King's New Life Pills. Their mild laxative qualities remove the poisons from the system and brighten the eye. A full, free, non-gripping bowel movement in the morning is the reward of a dose of Dr. King's New Life Pills the night before. At your Druggist, 25c.—Advertisement.
