Representative. has declared support Wilson.

In Mr. Olney's words, Mr. Wilson has dealt "with the Mexican situation in a spirit of perfect he would have done.

President Wilson could have tak- plied to Progressive principles. en \$1,000,000 or so from the great the threatened railroad strike if to the Republicans. he had sided with them? His attitude on that matter alone places him above suspicion.

Should the unthinkable happen dent. thus repudiating President enumerated above. Wilson's policies, what will hapbetween Election Day and March publican party. 4th next? Mr. Wilson could not! those he does not believe right.

Mr. Hughes has been telling all reactionary party. over the country that he -would. ave appealed to the people and But by the ballot-box, and Mr. on him four years ago.

Wilson is doing that.

THE TARIFF.

Once in four years, regularly these campaign cries have rung,

'If the Democrats get into power they will lower the prices . of farm produce, by lowering the tariff on farm products, and the farmers of the country will starve." 'r "If the Republicans get into power they will raise the

manufacturers of the country, and the wage earner's money go to line the pockets of the rich men instead of buying food and Few people there are who have not, at some time in then

And they have had a good reason for so doing. Once in four vears there has been brought about an unertainty, a feeling

insecurity on the part of manufacturers, farmers and wage earners. Business men have had to retrench because they claimed that it campaign to date, Chairman was impossible to advance until it was decided whether the tariff Cormick of the Democratic on the particular commodity or commodities that they were : terested in was going up or down.

For this reason nearly one-fourth of the time business has been semi-paralyzed, instead of being developed steadily each year. of the tariff. A means to gather in the voters. It has been used simply as a campaign talking point, allowing the business interests of the country to suffer untold hardships.

of a non-partisan scientific tariff commission." President Wilson, good progressive that he is, saw, the logic of the rresident, who has mainof this demand and has met a business question in a direct, busi- tained peace with honor and nesslike fashion. He has provided for just such a permanent non-whose Administration has been

. Congress the facts essential to tariff making. Thus President Wilson and a Democratic Congress have moved "The alternative for peace swiftly and efficaciously to prepare and fortify the United States with honor is war. There against new conditions that may rise when the European war ends. middle ground. Mr. Hughes t is another example of the constructive capacity of Woodrow tempts to stradule the issue, bu Wilson and a responsive progressive congress to deal efficaciously nis chief spokesman, Col. Roosewith business problems—to act while the opposition talks.

This tariff commission is empowered to study and investichanging world. It is clothed with authority to investigate every would have plunged us into war k phase of the tariff question.

This action of the Democratic party, under President Wilson. He is the substance and Mr. zes the lie direct to those who charge that it is a free trade Hughes is the shadow in the Re

Under this legislation the tariff is to be taken largely out of the issue. It is Wilson. politics and based only upon facts scientifically developed, instead nonorable peace and bounteous of upon greed corruptly applied s heretofore in the formulation ptentitude, versus Hughes, wit. of every high tariff bill enacted by the Republican party.

The makeshift tariff board provided by the Republican stand-tion, misery, starvation. Theodore Roosevelt was quot- their deliberate betrayal of the public interest in of both manufacturer and consumer.

Under the new Democratic law, administered by the Demo-In the three and a half years cratic party, slip-shod and log-rolling methods of tariff legislation Republicans. the will disappear. In the future tariffs will be based upon facts, and done not upon the prejudiced testimony of the chief beneficiaries. The one single thing that meets the schedules will no longer be fixed by the agents of special privilege approval of Mr Hughes, Remem- 2, the dictation of their masters.

The President is wholly committed to this tariff commission does the right thing at the right idea: this conviction that the gov rnment ought to have some spectume hit upon the happy idea of ally expert instrumentality for accumulating information to guide securing the inimitable ANNA Victor Murdock, long a Nationa | congress in dealing with taniff problems. And when President Wil- | HELD | world famous for her | 3 Progressive lead r and Progres son favors any project all know that he will strain every nerve to eloquent ever, for motion pictures sive floor leader in the House of carry out his honest conviction of duty.

Mr. Wilson wants to get the manufacturers and wage-earners greatest of all French against Hughes. His newspaper, of the country working together, pulling as they should in double the Wichita Eagle, says it will narness for the good of themselves and the country at large. He is big enough for the job, and is the only man we have had in years who could do so. If re-elected he will accomplish it.

GLAD TO BE CLASSED A HERETIC

The editor of the Cuba Patriot, who is trying hard to be the Mexican people." Nobody can big noise in the Republican party in Allegany County, in last find out from Mr. Hughes what week's issue says that Progressive and Republican principles are neresy to Democrats.

We are perfectly willing to admit the fact as regards Repub-Does anyone question but what lican principles, but most vigorously deny the accusation when ap-

If Republican principles are heresy to Democrats, when we railroad managers at the time of put the reverse English on, Democratic principles must be heresy Let us see about this heresy business a little.

The Democratic President and a Democratic Congress have shown what their principles are by their action the past "thre years that they have had control of the government.

They have passed laws for the prevention of industrial accicheering report that Democrats, den's; they have fixed minimum safety and health standards; prowith a unity not seen in many hibited child labor; established minimum wage standards for work years, were working together for ing women; established a non-partisan tariff commission: adopted Wilson for President, Seabury for a woman suffrage plank in their platform; passed a corrupt elec-Governor, McCombs for United tion law; levied an income tax: they have extended the benefit States Senator, and for the whole of the pension system to the Old Soldiers; passed the Federa Democratic state ticket, and with Trade Commission and Federal Reserve Fund Laws, together with daily increasing probability of some fifty or fixty other decided by progressive measures.

If the support of these principles is heresy, we are glad to be classed as a heretic; rather than as a reactionary Bourbon. Inasmuch as Democratic principles are heresy to the Republi and Mr. Hughes be elected presi-cans, they must be opposed to the Dmocrateic principles,

Our only hope is that Allegany County voters will fully under stand this frank admission coming from the mouthniece of the Re-
