## Mark Twain A Real American

Mark Twain was a steamboat pilot. He was a searcher for gold in the far west. He was a printer. He worked bitterly hard. All this without a glimpse of the great destiny that lay before him. Then, with the opening of the great wide west, Mark Twain's genius bloomed. He had found his great place. His fame spread through the nation. It flew to the ends of the earth, till his work was translated into strange tongues. From then on, the path of fame lay straight to the high places. His work has asked is there an American literature? Mark Twain is the answer. He is the heart, the spirit of America. From his poor and struggling boyhood to his glorious, splendid old age, he remained as simple, as democratic as the plainest of our forefathers.

**The Price Goes Up**  
**25 VOLUMES** Novels, Stories, Humors, Essays, Travels, History.  
 Before the war we had a contract price for paper, so we could sell this set of Mark Twain at a reduced price. The last of the edition is in sight. The price of paper has gone up. There can be no more Mark Twain at the present price.

**Send Coupon—No Money**  
 There never again will be any more Mark Twain at the present price. Get the 25 volumes now, while you can. Every American has got to have a set of Mark Twain in his home. Get this now and save money.

Send this coupon today—no other post or letter at it.  
**HARPER & BROTHERS, Franklin Square, N. Y.**  
 I enclose \$1.00, please send me a set of Mark Twain's works in 25 volumes, illustrated, bound in imitation green cloth, stamped in gold, gold tooling and decorated edges. I do not wish to return them at your expense. Other inc. 1.00 per vol. \$1.00 within 6 days, and \$2.00 a month after that time.
