"WORKED LIKE MIRACLE"

SAYS SYRACUSE MAN

Praises Jaques' Little Wonder Capsules for Dyspepsia

"I have suffered considerably with dyspepsia for the past four years until I heard of and was advised to try your LITTLE WONDER CAPSULES, and they worked like a miracle, as I am now able to eat everything without any bad effects. I am recommending your LITTLE WONDER CAPSULES to all my friends."

This is an exact copy of a letter written by E. Manning, of 954 Lancaster avenue, Syracuse, N. Y., to the Jaques Capsule Co., Inc.

Jaques' Little Wonder Capsules were originated by W. B. Jaques, a prominent druggist of Pittsburg, N. Y., nearly 20 years ago. He at that time suffered with severe stomach trouble and tried many remedies without relief. After making

an exhaustive study of the causes of dyspepsia and indigestion Mr. Jaques compounded this formula and secured prompt relief. Then he began to sell the capsules in his drug store. The results were so uniformly satisfactory, and the demand grew so large that the capsules are being manufactured and sold on a large scale to relieve the stomach ills of the general public.

Jaques' Little Wonder Capsules are quick, sure relief for indigestion, dyspepsia, constipation, heartburn, sour stomach, flatulence, dizziness after eating, and biliousness. There is no fuss or bother, you simply take one or two capsules and a swallow of water. Prompt, satisfactory results are guaranteed or money refunded.

On sale by J. D. Cheesman, Andover, N. Y., or 60c by mail postpaid for large package from Jaques Capsule Co., Pittsburg, N. Y.
