

Always Confidential

YOUR DOCTOR, your lawyer and your Banker are men who know many things about your personal and private affairs — but they are duty bound to keep these things strictly secret.

You must be frank with them if they are to give you helpful service — they must understand your problems. But they must take a keen interest in your welfare and protect your interests carefully.

This is the policy of our bank.

We cordially invite you to talk freely about your plans or problems.

We will always take a real interest in your welfare and help to solve your problems when we can. We will always consider it our duty to "say nothing" at any time that will reflect upon you.

Is it this kind of service you want?

Bred-to-Lay Single Comb
White Leghorn
Baby Chicks

Our White Leghorn Baby Chicks are bred from selected stock that has been culled and bred for years for heavy egg production, as well as size, shape and color of eggs.

The breeding stock is of good size and has wonderful vitality. It was culled and selected last fall by an expert from the Farm Bureau of Allegany County for persistent laying. These hens are mated to large, rangy, heavy bone male birds, beautiful in shape, color and head points, and bred from certified stock on both sides.

Our Hatching Eggs will be produced under free range conditions that will bring forth chicks with vitality, that will live and grow. It is our aim to give our customers the very best quality in chicks, both as to their breeding for heavy laying, size, shape and color of eggs, size and vitality of the stock. We guarantee the safe delivery of all chicks shipped.

We are in position to produce only about Fifteen Thousand Chicks the coming season, many of which are now sold, so place your order as soon as you can, that you may get your chicks just when you want them. We will book your order for a deposit of 20 per cent. of the purchase price, the balance to be sent at least ten days before shipment. Our price is low, considering quality, and is as follows: March and April Chicks 17c each; May Chicks 15c each; June Chicks 12½c each. All orders will have our personal attention. If you are interested in Bred-to-Lay Barred Plymouth Rocks, that have been carefully selected, Trapped and Pedigreed for increased egg production for over 32 years write us for circular.
