Similar Cases Being Published in Each Issue

The following case is but one of many occurring daily in Andover. It is an easy matter to verify it. You cannot ask for better proof.

L. A. Johnson, blacksmith, Main St., Andover, says: "Doan's Kidney Pills are the best and most reliable kidney remedy I have any knowledge of. I can't too highly recommend them. Some time ago kidney trouble had a pretty firm grip upon me. My back ached terribly and every time I stooped over to shoe a horse or do any heavy lifting, a sharp twinge would catch me in my back. The kidney secretions passed too frequently and were highly colored. I was all out of shape, lame and sore all over, until I began to use Doan's Kidney Pills. Doan's worked like magic in my case and soon had me feeling better. It only took three boxes to cure me of the trouble."

DO YOU KNOW

Mr. Seed Sower

That Pure American Clover Seed is hard to get; (and be absolutely sure?)

Millions of pounds of Clover grown in Southern Europe has been dumped on this country, shipped to our seed shipping centers and mixed with our native seed.

This seed won't stand our winter climate. Our Clover is all Canadian Grown, bought direct from the farmer who raised it, and is the highest grade Clover obtainable in both purity and germination.

You will save money by buying now — Medium Clover \$15.00 per bu. Peavine Clover \$16.00 per bu. Alsike Clover \$12.00 per bu.

Lets talk it over.

KANTLEEK

It Can't Leak, Because It's Made in One Piece

A KANTLEEK is built like a bottle—all in one piece.

Most hot-water bottles are made in sections, then cemented together. When cement dries and cracks, the bottle leaks.

Every Kantleek Hot-Water Bag is moulded of pure soft rubber—one continuous piece. No parts, patches, cement. Even stopper socket is moulded in.

And guaranteed for a full two years' service—or a new Kantleek free.

Don't wait until your old bag leaks. Get a Kantleek. Your old one may break open tonight.
