

# A Pass Book

In our Interest Department is an investment always worth One Hundred Cents on the Dollar.

On the first day of each April and October the interest is added to the principal and thus compounded every six months.

There is no other form of investment which offers the advantages of automatic compound interest and the privilege of withdrawal should the depositor desire.

# KANTLEEK

It Can't Leak Because It's Made in One Piece

KANTLEEK is the only bottle that will not leak. Most other bottles are made in sections, then cemented together. When cement cracks, the bottle leaks. Kantleek is made of pure soft rubber - one continuous piece. No joints, no cement, no glue. It is guaranteed for a full year. And returned for a full year's service if it ever leaks. Don't wait until your bottle leaks. Get a Kantleek. Your old one may break open.
