THANKS. CITIZENS Editor Andover News: Permit me a little space in your paper in which to express the Salvation Army's appreciation of the splendid success our recent drive attained in your village. It was a grand spirit that inspired those teams to go out and make a house to house canvass for the Army. One of your business men expressed himself to the effect that he was willing to do anything for the Salvation Army. They did so their best.

We most sincerely thank the kind friends in Andover for what they gave us. It was a good spirit in which the donations were made. We received as small contributions as seven cents, but it was as gratefully received as the spirit back of the gift. I do thank God for the dear friends we have in Andover. We received \$106.50. I know it would have been more if the friends had had it to spare. There are many out of work.

I especially wish to thank the two young ladies who helped in the soliciting. You all did your part well. ENVOY GEO. ELLIOT Campaign Manager.
