Statistics tell us that firewood ranks sixth in value among all farm crops. Have you been getting your sixth?

- SIX reasons why I should become an ACTIVE CHURCH MEMBER: 1. The noblest and strongest characters of the world have been earnest Christians. 2. Directly or indirectly, all Christian influences have come from the organized church. 3. We would not care to live in a place or to bring up our children in a community where no church existed. 4. Should we enjoy All the benefits of the church without sharing All the responsibilities of the church? 5. If everyone should follow the example of the non-church-member, THERE WOULD BE NO CHURCH. 6. The community needs citizens who are known to be identified with the church. Can YOU name more reasons?
