**EASTERN STAR ENTERTAINS**

Last Monday evening Masonic Hall was an enjoyable place for both pleasure and festivities. The occasion was arranged for the Eastern Star official visit of the Grand Officers of Allegany district, but on account of illness, the officers were prevented from being present. However, with Burton Chapter No. 29 of Wellsville, as guests, the work of initiation was conferred on two candidates. A special program was rendered by some of our most talented "Stars" and greatly enjoyed.

The magnificent new dining room was opened and 148 were seated at once, and half as many more waited for second seating.

The refreshments were splendid and much appreciated. The committees of both kitchen and dining room were given much credit for the able manner in which they handled such a crowd. The only thing to mar the memorable evening was the disappointment and illness of the Grand Officers not being present.

**FIREMEN BUY HUNT STORE**

Always progressive, the Andover Hook & Ladder Company, at a special meeting Monday evening, voted to purchase a home for their fire-fighting apparatus, which includes their new \$5,000 auto truck and their auto chemical truck and other paraphernalia.

Tuesday, their President, F. J. Raufenbarth, closed a deal with George Hunt whereby the store on North Main Street passed into the hands of the "Hooks." They will rearrange the interior of the building and fit it up as a Fire House.

The News understands the property was purchased by the firemen subscribing to shares of the stock individually, owned by members only.

Andover has every reason to be proud of their firemen. They are always doing things, and doing them right.

Here's to the Andover Hook & Ladder Company.
