

WHAT THE CENSUS TELLS

Every ten years our government spends millions of dollars to take a census of the people. It is a costly undertaking, but here are some of the facts proved:

- Ninety per cent. of the men engaged in active business fail to reach old age with a competence.
- Nineteen out of every twenty persons fail to provide for their old age or for their families.
- Eighty-million women are forced to earn a living.
- Thirty-five per cent. of the widows are in want.
- Eighty-two per cent. of the children of the country are forced to leave school before completing the eighth grade to aid in making a living for the family.

BIG NIGHT FOR ANDOVER

Andover's "Live Wires" known to Andover people as the Fire Boys, appreciating the good work that Andover people have done for them in the past, have decided to give their friends a night of real entertainment at a very moderate cost. An open date gave them a chance to secure the celebrated Colored Progressive Jazz Seven-piece Orchestra of Ocean.

This orchestra has a singing and dancing entertainer with them, and have played at the Staitler Hotel in Buffalo, also Jamestown, Bradford and other big towns of the Southern tier.

You will enjoy their entertainment and their dance music is pronounced by lovers of dancing to be the best ever.

The new fire truck will be on exhibition that night. Andover's local musicians and singers will entertain you.

The committee has arranged for a special picture show for that night. The Rebekahs will serve supper.

Don't you think this will be some night for Andover? And all of this at a price to just pay expenses. Dance tickets \$1.00. Picture show and entertainment by Colored Orchestra 30c. Supper 35c.

Homespun Yarn

Better than a doctor — sunshine. Invite it in even if the rugs and wall paper do fade a little.

Leave the spring bulbs in the ground until after the leaves die down. Those leaves store up food in the bulbs for next season's blossoms.

Maybe one reason why the work in the house never seems to get done is because it isn't planned ahead. Try a schedule, even if it can't always be followed.

White dresses for mother and the children this summer are likely to be pretty satisfactory. Colors don't show dirt so quickly, it's true, but they won't stand frequent washing either.
