Thursday evening was Firemen's night in Andover. At promptly 7 o'clock that evening the fire alarm sounded, and soon after Andover's new truck was escorted to its new home by Andver Hook & Ladder Co. There was a light rain falling, but this did not deter our gallant firemen. They paraded the length of Main Street and gave. ENJOYED SERMON BY RADIO

As has been previously mentioned in the News columns Frank Graves of this village is making great success with his radio outfit which he has been working on. Last Sunday afternoon at the family residence on Baker Street, a sermon, delivered at a Pittsburg church was listened to, the minister speaking from the text "The Lord is My Shepard," closing the discourse with a poem in keeping with the text. The singing by the choir was plainly heard. The song was not familiar, but the announcement that it was to be found or page 105 was clearly heard. The service closed by a male quartette singing "Lord Be With You "Till We Meet Again."

Corps are requested to meet at G. A. R. Hall, at 7 o'clock, Sunday night to accompany Edw. Seaman Post to the service at the Presbyterian Church

He had the proper hunch who said that we shall be a long time dead. Let's seize the minute and the hour and work therein with greater power. Have I some sin that calls for smashing? BOYS HAVE NOW MEMORIAL DAY REALLY "IMPROVED"

From Cuba at Andover Sunday, and Lose One at Fillmore, Friday

The only regretable feature of the game was the manner in which the Cuba players took their defeat. They seem to be good-winners, but mighty poor losers.

At the end of the 8th inning the score stood 7 to 8 in favor of Andover. It began to rain slightly in the end of the 8th inning, but the boys didn't want to give nn, so Unput. over. It began to rain slightly in the end of the 8th inning, but the hoys.

Fillmore, Friday

Andover's base ball team is be ginning to get back into the old form again. This week, they played two fine games, one at Fillmore, the other on the local grounds, Fillmore Game

One of the best ball games ever played was that between Andover and Fillmore Friday afternoon, at Fillmore. There, but six arrors in the whole game, Andover making two and Fillmore four. The game was clean, well played throut. The score was 5 to 0 in favor of Fillmore, and Fillmore, the lose of the closest and best played ball games ever witnessed on the local diamond was played last Sunday afternoon, when Andover won from the League Leaders, from Cuba, fwith a score of 7 to 8. The game was called in the 9th inning by umpire Baker on account of rain.

The game was Cuba's without question at the close of the 3rd inning, the score standing 6 to 3 for Cuba. Thea Andover's old war horse, Archie Bloss, took the mound and allowed the visitors but one score while Manager Boyd passed the hat and collected in five nice little tallies.

The only regretable feature of the game was the manner in which the Cuba players took their defeat.
