

USING U. S. AS A MODEL

The high regard European countries hold for the Federal Reserve System is shown by the fact that a World Banking System has been suggested along the lines of our Federal Reserve.

Combining, as this bank does, the advantages of both the national banking and the Federal Reserve System, we are in a position to render exceptional service to our patrons.

AN OLD PAPER

I. H. Thompson recently brought
us a copy of the Andover Citizen,
published by S. H. Clark in October,
1875. In the advertising columns,
were display ads of Mrs. E. Everett,
Millinery; J. Hunt & Son, Druggists;
& Grocers; D. S. Bradley, Groceries;
D. B. Spaulding & Son, Drugs; L. D.
Cobb, Clothing; Porter & Barney,
Hardware; Burrows & Young's, Cash
Emporium; M. J. Ellis, Shoes and
Clothes; A. B. Atwood, Hardware;
Cole & Frisby, Dry Goods, Boots,
Shoes & Groceries.

The paper was well printed, 4
pages, 7 col. wide, and surely is a
copy of an olden time.

The Republican nominees were
supported in the paper. Frederick
W. Seward was the candidate for
governor; A. B. Cottrell, of Rich-
burg, was the candidate for member
of assembly.

The W. F. M. of the M. E. Church
