Vacation is a time of recreation and recreation is a law of life. The body that is worn from labor seeks rest and refreshment, that strength may be acquired for the coming days. Likewise, in the spiritual life, the seasons of vacation and rest are not mere moments of idle ease; they are the days of meditation, of soul-building, of making inventories of our stock of character. With spirits refreshed thru contact with the seashore or mountain glens or open fields, we may draw reserve power from the great reservoirs of spiritual energy, and return to the work of the Kingdom with increased zeal and enthusiasm, to bring God nearer to

man and to lift man nearer to God. We welcome YOU to all the services of OUR church.
