

## A Useful Bank

Usefulness is the real test of anything — an automobile, a tractor, an airplane or a bank.

At this Institution the success of our service is measured by its usefulness. We endeavor to overlook nothing which will aid us in being useful to our patrons.

Can we be of additional use to you?

### HARVEST HOME

Preparation Complete for One of the Biggest Days Andover Ever Saw

The annual Harvest Home dinner and festival, given by the Presbyterian Church, will be held on Thursday, August 17th as announced previously. Inasmuch as conditions, due to the recent cyclone, render it practically impossible to have the celebration in the Grove, the dinner will be served in the Auditorium, and will be up to the high standard as heretofore.

During the afternoon and evening, pictures will be shown in the Auditorium, under the auspices of the Harvest Home Committee. It is also expected that there will be a ball game on the Silk Mill diamond in the afternoon, and that a band will be secured to furnish the music for the occasion. Everyone is invited to come and celebrate the day with us.

### RARE SPECIMENS

Apples Raised Last Year in Good Preservation

Two parties have brought to the News office during the week past specimens of last year's apples that had kept in prime condition all thru the winter, spring and nearly the summer.

Mrs. F. L. Bloss gave the editor two apples that we should judge were Northern pies. They were even brittle when cut. They had been kept in the Bloss cellar.

This week W. F. Snyder slipped a couple, in equally as good preservation, into our office, where they may be seen for a few days — until the Mrs. or printer's devil gets apple hungry. The Snyder apples had been kept in their Dyke Street residence cellar.

### SUNDAY-BASE BALL

Fillmore Has No Such Troubles. Their Team is Supported on Week Days

We take the following from the Fillmore Observer. It very nicely shows how the much discussed Sunday Base ball problem could be solved in any town.

The Friendship Register says that Sunday baseball is played in all of the towns in the county, including Fillmore—a pardonable error since the matter of Sunday baseball has never received enough discussion in this village to attract the notice of an outsider. As a matter of fact, a Sunday ball game has not been played in the village limits in so long that the oldest residents cannot recall one; at least we believe so. The majority of the officers and directors of the local baseball association were not in favor of Sunday games at home and none have been scheduled this year. The townspeople are behind the team and Friday afternoon, the day of the ball games, business places are closed to show their loyalty. No indignation meetings need to be held or a popular vote needs to be taken if a town will support its team.

### BURDICK AND PAGE REUNION

The second annual basket reunion of the Burdick and Page families was held on August 5th at the home of Mr. and Mrs. Charles Page, in Pleasant Valley, Alfred Station, N. Y.

There were fifty-eight in attendance and a fine time enjoyed by all. It was elected to hold the next reunion at the same place in charge of the following officers.  
 Pres., H. P. Burdick  
 Treas., Menzo Burdick  
 Sec'y., Mrs. George Carr  
 Table Committee: Mrs. Harry Page, Mrs. Menzo Burdick, Mrs. L. D. Burdick, Mrs. G. C. Perry.  
 Sport Committee: Niel Forness, G. C. Perry, Cora Page, Clifford Eastman, Pauline Eastman, Blanche Boyd
