

AMONG OUR NEIGHBORS

South Hill

Aug. 16. — Harvesting has succeeded haying with many. Miss Katherine Doran, of Hornell, was the guest of her sister, Mrs. Robert Dean, one day last week. Mrs. McCarn, who has made her home with her brother, A. M. Mingus for some time, has sold her residence in Andover. Mr. and Mrs. Frank Holmes and daughters were recent South Hill visitors. Dan Appier motored to Greenwood Hill one evening last week to visit his father, Earl Appier, who had been badly injured by his horses taking fright in the hay-field. Mrs. Robert Dean spent Tuesday in Andover. John Dean and daughter, Mary, visited at the Harrington home in Wellsville, Tuesday, the little daughters of Herman Dean returning with them for a week's visit. Dan Appier and family were Sunday guests of his aunt, Mrs. Donaldson and family, of Greenwood. Mr. and Mrs. Frank Emery, Richard McAndrew and Miss Eva, of Andover, were callers at the farm home Monday evening. Ed. Walsh delivered mail over our route three days last week, in the absence of delegate Mr. Church to the mail carriers' convention.

Voorhees Hill

Aug. 16. — Oats are being harvested and seem to be well filled. Nearly every family in our community was represented at the Farmer's picnic, at Wellsville, last week. Mrs. J. J. McCarthy was taken to the Jones Memorial Hospital early last week, but is not improving as rapidly as her friends could wish. Mr. and Mrs. B. Perkins and family were Sunday dinner guests of Mr. and Mrs. Eugene Hyde, of Wellsville. Mr. and Mrs. John Dunn and son, Lytle, and Mrs. James Copeland, of Lawrence, Mich., are visiting Mr. and Mrs. H. B. Adams. Mrs. Wm. E. Rahr and little daughter, Joy, of Glens Falls, and Mr. and Mrs. Andrew Rahr and son, Ernest, of Wellsville, were callers at Raymond B. Church's, Sunday afternoon. Mrs. Grace Fanton and little daughter, Carol Church, Mr. and Mrs. H. B. Adams and their guests motored with Wellsville parties to Olean and Rock City, Sunday. Friends here received word Tuesday of the death of George Harrington, a former Voorhees Hill resident, at the home of his mother in Wellsville. Our sympathy goes out to the sorrowing family. Buck up, or get bucked. Smile sweetly. It costs less than a frown. Scandal is very juicy to the ear that is not involved. The world is small compared to the heads of some people. The wise makes the money, and the fool makes it go. Discreet men never tell all they know. It would show them up. Don't carry water on two shoulders. It makes them both tired. Regardless of all arguments to the contrary, we are convinced that doctors are typically human. We can prove it by the docs themselves.

Independence

Aug. 14. — Miss Evelyn Clarke is visiting in Wellsville. Mrs. Mary Green, of Alfred, is spending a week with her daughter, Mrs. C. M. Crandall. Mr. and Mrs. W. J. McGraw and children were in Hornell Sunday. About 50 from here attended the Farmers Picnic at Wellsville, Thursday. Mr. and Mrs. Geo. Fuller, of Kalamazoo, Mich., are guests of Mr. and Mrs. L. A. Potter. Mr. and Mrs. W. J. Potter drove to Friendship Saturday. Messrs James Waitace, Andrew and Albert O'Dell were in Hornell Saturday on business. Mr. and Mrs. R. A. Clarke were Saturday guests of Mr. and Mrs. Ray Rogers. Mr. and Mrs. John Lewis and family, and R. A. Clarke and family attended the watermelon picnic, at West Union, Wednesday. Howard Clarke, of Rochester, is spending a few days with his father and brothers. Friday he took H. M. Clarke, Maleta and Viola Clarke to Little Genesee for the day. Tuesday evening Mrs. A. C. Greene, Mrs. W. E. Greene and Mrs. W. D. Clarke entertained the Bethel Class to a variety shower for Miss Eloise Clarke. The Clarke family held their annual reunion Aug. 8th, at the home of Mrs. S. W. Clarke. About 70 were present. Mr. and Mrs. A. C. Greene and Fern, and Mr. and Mrs. W. E. Greene were guests Saturday and Sunday of Mr. and Mrs. Will Thompson, at Hebron, Pa. Mr. and Mrs. John Bishop entertained their family reunion Saturday.

The man who marries a good woman gets rich quick without knowing it. Teach your child to tell the truth, but be careful before whom he tells it. Some people never pray until they get into a tight place, and then they can only cuss. Opportunity knocks at all doors, but it generally ducks before most of us can open up. Keeping everlastingly at it may be commendable, but it often lands a fellow in the pen. Don't condemn your neighbor until you are sure you have not done the same yourself. You can't accomplish big things until you have first learned to complete the little ones. Yes, the world might get along without you, but don't put it to the test. Do your bit. When we learn to know ourselves as others know us we will be proud of the things we haven't done. Keep in touch with the better side of life. It may enable you to appreciate the contrast when you bump off. The law recognizes a man as the head of his family, but often the neighbors have a different story to tell.

KEEP YOUNG

People with bad backs and weak kidneys are apt to feel old at sixty. Many old folks say "Doan's Kidney Pills help them keep young. Here's an Andover case: Mrs. Samuel Coats says: "I was all run down and suffered from kidney trouble. Often my back pained so badly in the morning I couldn't take any comfort until I got out of bed. Then when I got up, my back was so lame it made me feel miserable. I was so nervous I could fly and I suffered from severe headaches. Doan's

Kidney Pills were recommended to me and three boxes from the Brundage Drug Co. gave me great relief. (Statement given October 15, 1916.) On August 8, 1919, Mrs. Coats said: "I have felt well and strong and my kidneys have been in good condition ever since Doan's Kidney Pills cured me of kidney trouble some years ago. Doan's are certainly a reliable kidney and bladder medicine and I most heartily recommend them." 50c. at all dealers. Foster-Milburn Co., Mfrs. Buffalo, N. Y.

WINDSTORMS AND CYCLONES HIT NEW YORK STATE

New York State has been hit hard and often during the past two years by cyclones and windstorms.

People are beginning to see the necessity of carrying windstorm insurance and, why not, for the damage done by windstorms in the State of New York for the year 1920 was more than that estimated by lightning.

Would it not be better to pay the small cost for this protection than to wait until after the next storm and then wish that you had made this small investment?

If you are interested in getting low cyclone rates in some of the strongest companies operating in New York State then write, phone, or see

In a gorgeous spectacle the modes for the new Fall season were presented in a series of 11 episodes. "The cascade gardens, a luxurious scenic background, which included real running water spouting over piled-up greenery made a scene of unusual impressiveness.
