THE ANDOVER NEWS

BY J. HARVEY BACKUS & SON

Jur Kaynota: "If There Is Not a Way, Cut a Way,"

Entered as second-class mail matter under act of Congress, at the Post

DIVIDED WE FALL

EVERY man has his own mind, and our laws accord him . the right to free thot and speech.

This freedom, however, should not lead us into chan-him the devil is waiting for him. nels of thinking and speaking that produce friction and a population divided against itself.

In union there is strength. In discord we face nothing | 16 but mediocrity and disaster.

We are a community unto ourselves, yet we should IT requires years of correct linot live each unto himself.

As a community we owe a duty to other communities, 1" to our state, and to the nation. It is this community of interests that has made our

country great, and progressive, and prosperous beyond any other country upon which the sun shines. It is the same community of interests that will build up this town and our countryside if we employ it in our | cr

business and social life. No nation to-day can live entirely unto itself and con-would be missed, but not mourned. tinue prosperous as the years roll by. No state can do it,

and neither can ány city, or town, or individual. We must harmonize our differences for the public | " good and then work together for the advancement of our

common interests. United, we push onward to greater successes and

Divided, we fall by the wayside and are soon forgot- ers, he is N. G.

SPRING A NEW ONE

AS YOU walk along the streets of Andover, what do you | pr see? What do you think? What do you say?

Possibly there are some obstructions in the way, from his columns every class of news e repairs that are needed, or some improvement that to which any objection was made by could be made.

You see the possibilities, but do your thots get beyond' the confines of your own brain? Do you spring them for the benefit of your fellow citizens? A bottle of champagne is only an aggravation to a parched throat until the cork is pulled.

It is so with those ideas you are carrying around ir your head but never allow to become public. Spring them — all of them.

Some may be impractical, and if so they will be cast aside and no one will be harmed. But among the number there may be one that is of sight.

inestimable value to our community. That is the one we want — the one we need — but we | " can't benefit from it until you pull the cork from your non't let your child "blow in" its

CUSTOM, THAT'S ALL

ADAM and Eve were garbed in a single fig leaf each, but REST. That will be its first lesson in that was custom with them and the demands of mod-economy esty were satisfied.

From the days of the fig leaf down thru the centuries great tax upon the memory of a norto the cumbersome and trailing skirts each successive step mal human mind. has been taken thru innovation and sanctioned by custom. THE farmer who has to go ten miles

The trailing skirt was both unsanitary and a nuisance, for a trace chain finds it an exand in time was properly discarded. Custom popularized pensive purchase. Now we have the very short skirt and the knickers, had to journey hence for a spool of

and custom decrees that there is no valid objection to thread, both would be peeved beyond Why do people persist in calling In former days women rode horseback on side saddles

and contracted curvature of the spine. Then a few of the our local dealers, for the more they more daring ones donned pants and rode man fashion, sell the greater the variety of stock The uproar at first was great, but now it is custom and is they can afford to carry for your regarded as the only sensible way to ride.

The tendency of the age is simplicity in dress, dis- summer is on its last legs and carding everything that is not in accord with comfort and winter is beginning to toddle. the protection of health.

We may never return to the fig leaf, but the nearer we laugh is too annoying to your friends. approach it the greater is our freedom of action and the longer our span of life. Shocks and thrills may signalize some of the stages,

but custom will stop every tongue from wagging.
