### SPRING A NEW ONE-

AS YOU walk along the streets of Andover, what do you pr seé? What do you think? What do you say?

Possibly there are some obstructions in the way, from his columns every class of news some repairs that are needed, or some improvement that to which any objection was made by could be made.

You see the possibilities, but do your thots get beyond the confines of your own brain? Do you spring them for the benefit of your fellow citizens? A bottle of champagne is only an aggravation to parched throat until the cork is pulled.

It is so with those ideas you are carrying around ir your head but never allow to become public. Spring them — all of them.

Some may be impractical, and if so they will be cast aside and no one will be harmed. But among the number there may be one that is of sight.
