

Mobilized Resources

The Federal Reserve has provided a national system so knit together that country-wide resources may work together in a national need or be mobilized to meet a local emergency too severe for local forces to cope with.

As a National Bank we are members of the Federal Reserve System and pass on to our patrons the advantages so derived.

Tidbits From Our School

In accordance with the wish of the late Rev. Eggleston, a set of thirty books of history has been presented to the High School Library by Mrs. Eggleston. The set consists of complete histories of England, France, United States, Mexico, etc. By a rising vote the student body instructed their secretary to convey the thanks of the school to Mrs. Eggleston.

Beginning with the month of September, Cabinet Officers are being elected each month, one member from the Eighth Grade and one from each year in High School. These officers will act with the members of the faculty on various democratic matters. For this month the following were elected: Eighth Grade, Ruth Weston; First Year High, Doris Tubbs; Second Year High, Sara Bettinger; Third Year High, Loretta Quigg; Fourth Year High, Virginia Crandall.

The Week Day Church School commenced Thursday. There were 50 pupils excused from the Study Hall; 11 from the 7th Grade, 24 from the 5th and 6th Grades, 14 from the 4th Grade, 27 from the 2nd and 3rd Grades, 19 from the 1st Grade. This made a total of 145 pupils that were excused—Thursday.

Gertrude Flynn entered school on Monday.

The Perfect Spellers for the week Sept. 4-8th were:
Fourth Grade
Llewellyn Scott, Helen Smith, Otis Willis.

Fifth Grade
Loletta Lehman, Marguerite Per-

Sixth Grade
Edwin Gardner, Gernadine Hann, Margaret Folsing, Dorothea Snyder, Cecelia O'Connell.

Seventh Grade
Rose Dawson, Gertrude O'Connell, Raymond Higgins.

Do not forget that this (Friday) is the Senior's Tag Day, and put at least ten cents (\$1.00) aside for the first person who asks you to buy one. Help the seniors out; it will encourage them considerably.

The Study Hall has a very mysterious air this week due to the strange and quiet way in which the girls plan their Kappa Zeta thrashing.

At a meeting of the Athletic Association Wednesday p. m. the following officers were elected:
President, Carl W. Hann.
Vice President, Earl Hyland.
Secretary, Loretta Harrington.
Treasurer, Miss G. Latimer.

As a unanimous vote, it was decided to purchase a football and as soon as this arrives plans will be made to organize a football team.

Three cheers for Carl W. Hann and Esq.
