

A GOOD ADVERTISEMENT

Our idea of a good Ad is one that says what it means, says it without unnecessary words, yet somehow says it so forcibly that the message remains with you long afterward.

The advertisement may be humorous, pathetic, forceful, even frivolous, but the message must be there. Even so great a man as Lincoln told stories to illustrate the points of his arguments. Our message to-day? It is short. We have a good, strong Bank. We are anxious to serve you. May we do so? Truly, it's up to you.

Smart • New • Models

Our display presents the newest and smartest Dresses, Coats and Wraps for Women and Misses.

A fascinating ensemble of dresses that gracefully step in 'tween seasons, bidding fleeting summer adieu and warmly welcoming advancing autumn. Fashioned in the very newest and smartest modes of luxurious materials that materially add to madam's charm.

A comprehensive collection insures a satisfactory selection to every modish Woman or Miss. Fashion surrounds the Fall Coat with the circular influence; also smart drapes and bloused effects. The handsome fabrics include among others: Fashiona, Marvella, Gerona, Panvelaine. Fine Furs trim many models—some are untrimmed.

DRESSES AT \$15.75 TO \$22.50

Clinging hip drapery and new wing sleeves explain another charming way to be in accord with the Fall mode. Crepe satin is the fabric—with brown, cocoa, navy and black for preference.

NEW COATS AT \$25 TO \$40

Smart new style serves as a forerunner of the models which will be featured later in the season at much higher prices. Cleverly designed with new sleeve effect and having large, flat patch pockets, together with slit pockets conveniently placed. Of double faced fabric with convertible collar.

Hornell Pastor Fell in Chancel at Sunday Morning Service

Overcome by illness, Rev. Mart. Gary Smith, rector of Christ's Episcopal Church of Hornell, fell in the chancel at the early Sunday morning service.

As he began the service members of his congregation saw him sway and fall. Medical assistance was summoned and he was removed to his home. He had been feeling unwell several days, and it was in the face of protests of his family that he attempted the service Sunday.

He is completely prostrated, but his condition is not considered serious.

FORMER MINISTER IN REPAIR SHOP

The following item from the Associated Press dispatches will be of interest to the people of Greenwood who knew Rev. Guy Owenshire well as the former pastor of the M. E. Church there:

Syracuse—Two ministers of the gospel, clad in overalls, wielded heavy wrenches and hammers in the repair shops of the New York Central Railroad in the Syracuse district and both assert they like the work.

The ministers are Rev. W. W. Helm, pastor of St. Mark's Methodist Episcopal Church, Buffalo, and Rev. Guy Owenshire, pastor of the Methodist Episcopal Church at West Webster, near Rochester.

Mr. Helm works in the DeDwitt engine house and Mr. Owenshire at Solvay. Both find time to conduct religious services and deliver sermons in the shops—a departure in the history of Central New York railroading.
