Tidbits From

Our School

The Senior Tag Day on Friday was a great success. More than three-fourths of the tags were sold, thus netting the Seniors a goodly sum. This, success has planted more firmly in the minds of the Seniors the determination to go to Washington. They are sure that all the people of Andover would be proud to have a class from their school take this trip and it will be the help of the people that will enable them to go.

A football has been ordered and ill be here soon. The manager has will be here soon. The manager has written to several towns to procure

The annual meeting of the Allegany Athletic Association will be held Saturday, September 23rd. Mr. Dawson and Howard Leahy will represent Andover at this meeting which was called by Sec. Prin. Levi R. Tubbe.

OUR EXPOSITION AND DISPLAY

OF AMERICA'S FINEST SI

America leads the world in production of fine silks and leads the world in both style and quality. The silks made in America are sold over foreign silks in European centers

The tremendous growth of the silk industry. in this country of ours is the marvel of the world. Our designers excel those of other countries in originality and inspiration. American fine silks are preferred in Paris, the

style center of the east.

Recognizing this for a long time, our large silk business has been built up and based on the merits of our country's silks.

The new Fall fabrics are here and anticipating the greatest silk season of years, we have made preparations accordingly. We want you to meet them when they are new and fresh.

For this reason our Exposition Week.

WATCH OUR EAST WINDOW

Our attention has been more than oralizarily given to novelties in weave. By that not necessarily show pieces, but charming new ideas in weaving, exture and design. Coodints is predominate in the best Fin cilks.
