JUST GOT OVER A COLD?

Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak, for weak kidneys—well, read what an Andover

voman says: Mrs. L. W. Thetgee, Rochambeau Ave., says: "Last winter my kidneys were causing me considerable trouble and I believe it was all brought on by a cold that settled in the small of my back. My back became awfully lame and sore causing sharp pains to catch me when I least expected them. I felt nervous and irritable and my kidneys didn't act right. I kept getting worse and finally began to sufer with spells of dizziness. I began to use Doan's Kidney Pills and they soon had me on the road to recovery. It wasn't long before Doan's got down to the seat of the trouble and completely removed every sign of ft. For this feason I am grateful to Doan's Kidney Pills and heartily recommend them."
