

FRIENDLY AND STRONG  
A HELPFUL BANK

Friendly, Strong and Helpful are the three words which best describe the ideal bank.

Friendliness is essential in any business, strength is a necessity and helpfulness imperative.

If you are looking for an institution which combines all three, we invite your account.

Reportorial

To-morrow is the first registration day.  
Everybody come to the annual Grange Fair and supper, Oct. 25th, 1922.  
Saturday, Oct. 14th, and Sunday, Oct. 24th, are registration days this year.  
Mrs. Claire Backus entertained the Entre Nous Club Thursday evening, Oct. 5th.  
Miss Julia Derr, of Nile, sailed Oct. 10th, from New York, for India where she goes as a missionary.  
Will Morehouse, of Belmont, bagged a bull moose while on a hunting trip in Northern Canada, recently.  
There will be a special meeting of Edward Seamon Relief Corps Saturday night, to arrange for the official visit of the state inspector.  
The local fire department have selected Nov. 2nd, as the annual Firemen's night in Andover. Already arrangements are made for supper and dance.  
Mayor George R. Lunn, Democratic candidate for Lieutenant Governor, speaks at Hornell to-night. A number of local Democrats are planning to attend.  
A nursery has been established in the basement of the First Presbyterian Church at Corning, where children can be cared for while the mothers attend church services.  
W. J. Alderson has moved his family from the Bundy residence on Maple Street, to the rooms in the J. E. Cannon property, corner Center and Church Streets, recently vacated by Mrs. Adelia Jenkins and family.  
New York State publishers are putting up a big fight for the restoration of the law for publishing the session laws. Experience shows the state police are continually arresting people for violation of statutes they have no idea ever existed.  
Rochester is flooded with counterfeit half dollars and quarters. Numerous complaints about bad money have been received at police headquarters and the authorities are trying to trace its source. The workmanship on the money is poor.  
William Morris, of Wellsville, and William Ryan, of Fillmore, are in the Bethesda Hospital suffering from injuries sustained Tuesday in an auto accident near Arkport. They were found underneath the wrecked car. Morris had his chest crushed and Ryan suffered a broken shoulder.

Two auto loads of young men from neighboring towns, evidently that the party at the Auditorium, Wednesday evening, a stag party from the "staggering" done by them on our streets. Their performance was most disgusting and even descended to the indecent. The jug of booze was openly passed around to all on Main Street. No arrests were made.

A large warehouse attached to the rear of the E. W. Plasted hardware store at Greenwood was destroyed by fire Wednesday morning. The building was 30x60 feet and was well filled with farming implements and hardware of all kinds. The loss is placed at \$5,000. The main store building was saved by the most strenuous efforts on the part of the citizens. The origin of the fire has not been determined, but it is believed that it was the work of burglars who fired the building to cover their theft. A crowbar was found which had evidently been used to force an entrance to the warehouse, and two new automobile tires were found which is thought to have been dropped by the thieves.

THE WEATHER

Following are the weather observations taken by the Andover Co-operative Station for the week beginning Oct. 5, 1922.

Table with columns: Temperature (High, Low, Range), Precipitation, Barometer, and J. HARVEY BACKUS, Local Observer.

Tidbits From Our School

The foot-ball team has been disbanded, partly due to lack of interest and to the failure of some to appear at practice. All games have been canceled.

The Seniors held their second bake sale at Mrs. C. W. William's store, Saturday, Oct. 7th. The proceeds were excellent in spite of there being another bake sale that day. Don't forget that the Seniors hold a bake sale every two weeks. Therefore, the next one will be held Oct. 21st.

Misses Marie Joyce and Emily Clarke were visitors at the Andover High School last Friday.

Perfect Spellers for the week Oct. 2-6  
Fourth Grade

Many parents of school children do not fully understand the necessity of having rubber-soled shoes, or what are commonly called "sneaks" for their children to use in Physical Training work. This almost eliminates the necessary noise in this work. The Physical Training classes must be held in the upper floor or gymnasium of the High School building, and thus various drills of jumping, etc. make a considerable noise and bother and excite the pupils in the rooms below, and, therefore, the work done in the classes in these rooms is greatly lessened. But these "sneaks" stop a considerable of noise and help the pupils in the lower rooms to study undisturbed. Thus a child supplied with these shoes for his Physical Training work is at the same time helping scores of pupils in the lower rooms to study.

A Popularity Contest was started last Tuesday morning for the benefit of the Seniors of the Andover High School. The contest is similar to a political contest in that it has candidates to be elected. The candidates consist of three girls and three boys and anyone can vote for whichever candidate he wishes to have win this contest. Each vote costs one cent, and as this is a most reasonable price, all should be willing to buy a few votes and boost their choice of the candidates. These candidates are:

Boys—Richard Harder, Lenford Horton, John Faisant.

Girls—Louise Pelsing, Marjorie Williams, Ruth Parker.

Pick your favorite and buy a few votes to help him or her to win this contest. Only one cent a vote. Vote Now!

This Popularity Contest lasts till October 30th, and votes may be secured from any member of the Senior Class. Cheer them with a vote.

School was closed Thursday to celebrate Columbus Day.

You must have remembered that yesterday was Columbus Day and also that Christopher Columbus discovered America in the year 1492. Well, if you don't believe the date, look it up, I did. That makes it 431 years ago next October 12th.
