

THE JOY OF SUCCEEDING

To him that hath, it is said, shall be given. Certain it is that the man who anticipates future wants and saves toward that end is the man who achieves.

An interest-bearing account enables such a man to accumulate small amounts until the total is sufficiently large for him to acquire things really worth while — a home, education for his children, desirable investments, and an independent old age.

Tidbits From Our School

A Hallow'en party was held last Monday evening, at the High School building. It was given under the auspices of the Senior Class. A fee of ten cents was charged for which refreshments were given later in the evening. A candy booth, a fortune-teller with her tent, fire and all, and a pop-corn stand were erected in the gymnasium. At 9:30 o'clock all were assembled in the study hall to hear the very interesting program which was arranged by Seniors. Selections by the school orchestra, the reading of Hallow'en stories, which were written by the pupils and recitations comprised the chief numbers on this program. The results of the Popularity Contest which ended at 9 o'clock that evening were read. Marjorie Williams receiving 1,043 votes and Dick Harder receiving 342 votes, were the winners. Prizes were presented to all contestants in this contest and special ones for the winners were also given. About 3,000 votes in all were bought in this contest thus fulfilling the greatest hopes of the Senior Class.

The first number on the Senior's Lecture Course was given on Tuesday evening. The entertainers are known as the National Male Quartette and no fault could possibly be found with their entertainment. The character impersonations by Mr. Cox was one of the chief delights on the fine program. A fair sized audience attended and the Seniors wish to express their appreciation to all who helped make their first number a success. The parade by the school children in costume was a great delight to all.

Next week completes the first ten weeks of school days and also brings with it the dreaded test for the first quarter of the school year.

The Senior Class was honored last Monday evening at their Hallow'en party by having the presence of Earl Dawson with them and enjoying their candy, popcorn, fortune-teller and girls.
