

Tidbits From Our School

The first Basket Ball game of the season was held Tuesday evening, under the auspices of the Senior Class. Two picked girl teams played a snappy game in spite of the handicap of playing modified boy's rules. These new rules prohibit the guards and forwards to go all over the court and confine them into exactly half of it. But the two centers have the full run of the court. The girls wearing the white middies won out by a score of 8 to 11 points.

The second feature of the same evening was a game between the High School boys and the Town Team Squadron. A very snappy game was put up by both teams, and it proved out to be one of the closest games ever played on this court. The game was also very cleanly played by both sides, but lack of practice and wind hindered both teams very much in running up a very large score. The defensive work of both teams was the main and most interesting part of the game, neither for some reason could get upon the offensive so the game became fast and the ball changed ends of the court with great rapidity. At the close of the first half the score stood 4 to 0 in favor of the High School players. This fact alone shows that few baskets were even tried by either side and then many from almost impossible positions. All the substitutes of the High School were put into the game to try them out. The line-up at the beginning of the game was as follows:

High School—Position—Town Team
Sheridan Witter L. F. Fred Muhlolland
Ronald Gibbs R. F. Roland Stevens
Harry Joyce G. Allen Harvey
Howard Leahy L. G. Harold Dawson
Earl Hyland R. G. Jack Dolan
Substitute: Francis Dean, John Faisant, Richard Harder.

The final score was 7 to 4 in favor of the High School.

A candy sale was held last Friday afternoon at 4 o'clock, in the upper hall of the school house. All candy

supplies were sold out. This is good. English work and posters made by drawing classes adorn all the walls of the school house. All mistakes in English made by any student will be counted against him or her and a few of these will be made to take part in the program to be held on Friday morning. The High School Teams have scheduled games with the Canisteo players. They invade the home town Dec. 1, 1922. Come up and see this game, it will be worth the money and the teams need encouragement which only a crowd of supporters can give them.

The Seniors have now completed their plans for their supper which will be held in the Methodist parlors, Tuesday evening, Nov. 28th, at 6:30 p. m. until all are served.

Mid-week service every Thursday evening at 7:30. For the next few weeks, we will have a Mission Study Class as part of our program for the evening, using as the text book Eastman's "Unfinished Business of the Presbyterian Church in America."

The annual Every Member Financial Canvass of the church society and congregation will be made on Sunday afternoon, December 3rd, at which time everyone will be invited to pledge a definite amount to the budget of the church for the ensuing year.

"For the person seeking a church home, there are two choices. On the one hand, there is the conservative church, bound to the past, alien in spirit to the life of a new age, hostile in word and in act to the advancement of knowledge. On the other hand, there is the progressive church, friendly to knowledge, however far it carry us, beating time to the deep pulsing of the new world's life, and earnestly striving to uphold the beacon of an ever advancing good."

Whatever new that of Christ in any age is true to the truth will enrich and strengthen the faith of the church. Whatever new that of Christ in any age is false, will, when tried and found wanting, fade into forgotten impotence. And neither result calls for a moment's wrath. Nor will either atone for scurrility heaped on those whose offense at worst is only that they have sought the Lord by another way than most disciples have travelled hitherto. "Of such a one the Lord Himself said, "Forbid him not."

Is your coal pile running low?

Here is the ideal year-round oil range

HERE, at last, is an oil range that is every bit as satisfactory as the finest coal range and as fast in cooking as a gas stove. And it is especially economical when clean, long-burning Socony Kerosene is used.

This latest and finest New Perfection Oil Range with Superflex Burners is being installed in thousands and thousands of homes as the permanent, all-year cookstove. It is as popular in the city as it is in suburban country homes.

If you are furnishing a new home, or want to get rid of the bother and litter that every coal range makes, see this New Perfection demonstrated before you buy your new stove. It is a marvel of simplicity, neatness, durability and cooking speed, and remember, it's a year-round stove.

The Milk of a Million Cows

TWICE every day the members of the Dairymen's League milk over a million cows. AS long as these cows live in New York State, you are assured Dairymen's League quality milk.

And New York couldn't help being the dairy state. The climate, excellent pasturage, and fertile valleys all favor dairying. Blessed with these natural advantages, 72,000 farmers have built a world-wide reputation for good dairy products.

To the people in town, the ownership of the entire country end of the milk business by farmers is an everlasting assurance of high-quality products; for the reputation earned in a lifetime will be maintained.

Farm folks already know that Dairymen's League quality has been recognized, and they have reason to maintain the present high standard.

That's why your grocer sells Dairymen's League Brand products.
