

Tidbits From Our School

The cabinet for the month of December has been elected. They are as follows:

- Second Year—Gertrude Beebe.
- Third Year—Virginia Hyland.
- Fourth Year—Rilma DeRemer.

The first basket ball game of the League will be played on Friday evening (to-night) between the local High School teams and the teams of Angelica High School. This game promises to be fast and to be a very hard fought one for both sides and teams, as the Angelica teams come highly recommended as having a strong team and a strong contender for the county championship. This game falls on this evening, Friday, and the admission is only 25c and 15c, so all are urged to be present and to help along the victory which the local teams are anxious to win.

Sylvia Reiss is recovering rapidly from her operation. She returned home from the Bethesda Hospital, Sunday.

The next number on the Senior's Lecture Course falls on Feb. 19th. Be sure and remember the date.

Thursday afternoon, a very interesting lecture was given to the High School students by Rev. J. W. Van Kirk of Youngstown, Ohio, on the topic of "World's Peace." Rev. Van Kirk gave a fine account of the history of the world to date, emphasizing the names of men who had contributed to the civilization of to-day. He named the children of to-day as the heirs of the past generation, told what was expected of them and what they must do to keep World Peace and to succeed in making it permanent. He spoke in an exceptionally clear voice and he stated his points forcefully and so all could interpret his meaning. He demonstrated a large flag which he made himself and with which he has been twice to Europe. The last time to present it, at the League of Nations, but as the United States did not enter the League, he did not present it. He hopes to live long enough to see his flag World Peace Flag, and it has already been accepted with praise by many world meetings or conferences. This was Rev. Van Kirk's 602nd school audience in two years and a half.

A candy sale will be held by the Seniors at the Basket Ball game to-night. Remember the game and the candy also. Come!!!
