

A Very Small Amount Will Start a Savings Account at Our Bank

Savings are the foundation upon which almost every successful business venture has been developed. Once the saving habit is acquired, the account, with its earnings of interest, will steadily grow to a substantial account. Many young men and women are working out this scheme with us to advantage. It is a plan worthy of a trial.

"SOUTH OF SUVA"

Can you stand thrills? Midnight in a tropical jungle. The wild beating of tom-toms, the flare of torches, the frenzied dance of Fiji warriors in their hideous war paint. The weird chanting of a voodoo priest, and in the center of this scene, bound by ropes to the stone altar, a white girl, about to be sacrificed to the angry island gods. Then here is a story you cannot miss of what happened on an island in the South Seas.
